**Subject:** I strongly OPPOSE SB 16 - AN ACT ADDRESSING GUN VIOLENCE AND JUVENILE CRIME,  
Sec 25 through 27

I strongly OPPOSE S.B. 16, Section 25 through 27, concerning the addition of Family Violence Crimes to prohibited persons because the addition seems to be duplicative and possibly contradictory to other prohibitions, adding further confusion to the regulations.

John C. Kornegay  
Barkhamsted, CT
